## **Mixing & Feeding Directions:**

Mix 10 kg of this 2-1 Beef Cattle Premix with 988 kg of barley and 2 kg of Dyna K to make one tonne of beef cattle ration. Feed this ration to beef cows at a level to provide 100 grams 2-1 Beef Cattle Premix per head per day. Also provide good quality forage. Ensure access to clean water at all times. Contact a Nutrition Partners representative for more information.

## **Caution:**

1. Directions for use must be carefully followed.
2. Do not use in association with another feed containing supplemental selenium.
3. Do not feed this mineral premix to sheep.

**Individual results from the use of this product may vary due to management, environmental, genetic, health and sanitation differences. Therefore, Nutrition Partners does not warrant or guarantee individual results.**
