Mixing & Feeding Directions:

Mix 10 kg of this 2-1 Range Beef Cattle Premix with 971 kg of barley, 17 kg of calcium and 2 kg of Dyna K to make one tonne of beef cattle ration. Feed this ration to beef cows at a level to provide 100 grams 2-1 Range Beef Cattle Premix per head per day. Also provide good quality forage. Ensure access to clean water at all times. Contact a Nutrition Partners representative for more information.

Caution:

1. Directions for use must be carefully followed.
2. Do not use in association with another feed containing supplemental selenium.
3. Do not feed this mineral premix to sheep.

Individual results from the use of this product may vary due to management, environmental, genetic, health and sanitation differences. Therefore, Nutrition Partners does not warrant or guarantee individual results.
